

CONSORTIUM CAPITAL PRIVATE LIMITED

POLICY ON GRANTING OF EXPOSURES TO CLIENTS

1. Setting up Client's Exposure Limits:

Consortium Capital Pvt. Ltd. have its own policy to allow differential purchase limits and sell limits varying from client to client, depending upon credit worthiness, integrity and past trading record of each client and volatility in the market, which may vary from time to time. Consortium Capital Pvt. Ltd. may provide an exposure limit for intraday and delivery to a client which would be a multiple of the clear ledger balance in the account of the client along with collateral values after appropriate haircut. The value of multiple and haircut shall be decided as per Market volatility, quality of collaterals, credit worthiness, integrity and past trading record of each client based on the risk categorisation which may vary from client to client and from time to time. Consortium Capital Pvt. Ltd. may provide a sell limit to the client equivalent to the value of securities held by the client in his POA enabled Demat account with our CDSL DP and the collaterals held with us in our Beneficiary / Margin account on behalf of clients after making appropriate adjustments for the unsettled delivery positions of the client. Such sell orders are placed through CNC, i.e., Cash N Carry product type. Consortium Capital Pvt. Ltd. may provide Exposure for Futures and Options, For Futures, Segment and writing in Options, based on availability of Initial Margin (Span + MTM) in the form of clear ledger balance. Considering collaterals after appropriate haircut is the sole discretion of Consortium Capital Pvt. Ltd. However the buying of Options in Derivatives segment may be allowed on the premium value against the clear ledger balance available in Client's account.

2. Conditions under which a client may not be allowed to take further position or the broker may close the existing position of a client:

Where the client is not having adequate margins as per conditions defined in Risk Management Policy.

In Cash Segment : Where the client is not able to meet his pay in obligation in cash by the schedule date of pay in, irrespective of the value of collaterals available with Consortium Capital Pvt. Ltd. Clear proceeds of the cheque deposited by the client to meet the pay in obligations has not yet been received by Consortium Capital Pvt. Ltd. Client is trading in "illiquid" securities and volumes in his account exceed internal cut off limit fixed by company. Consortium Capital Pvt. Ltd. exposure at "house level" in a specific scrip /contract exceeds the internal limit is fixed by it.

In Derivatives: Where the client has not met the margin and has not met Market to Market loss in cash. Where the open positions in a contract exceeded or are close to market wide cut off limits. Where the client's position is close to client wise permissible "open" positions.
